

Watch Repair Form

(A dated purchase receipt from an authorized dealer is required for repairs covered by the 2-Year Warranty.)

Include this form with your watch when sending it in for repairs. Please fill out the necessary information below and use the provided table to estimate the repair costs (if the repairs are not covered by the 2-Year Warranty). Once you have calculated the Total Repair Estimate, provide your credit card information or include a check or money order from a U.S. banking institution made out to ArmourLite Watch Company. International checks are not accepted. If all necessary repairs are equal to or less than the Total Repair Estimate, we will automatically repair the watch without contacting you with an estimate. If the repair costs exceed your Total Repair Estimate, we will contact you with an estimate. We require payment prior to shipping back repaired watches.

Shipping Checklist & Instructions

1. Please send the completed Repair Form with your carefully packaged watch (one form per watch). Please do not send watch boxes, cases, additional bands, accessories, tools, etc..
2. Please include a legible copy of the original and dated purchase receipt from an authorized dealer. Failure to include this proof of purchase will result in non-warranty repair costs.
3. For return shipping within the U.S. please include a \$10.00 check made out to ArmourLite Watch Company, a money order, or credit card information at the bottom of the form. For international return shipping please include credit card information to cover the \$29.00 return shipping charge.
4. We highly recommend you send your watch using a traceable shipping service with insurance to protect the cost of your watch. ArmourLite Watch Company is not responsible for any damage or loss incurred during shipping.

Please allow 2-6 weeks from the date we receive your package for your repair to be completed.

For questions, please call us at 1-888-355-4366 or email us at customerservice@armourlite.com.

For your convenience, you can cut out the address label below and attach it to your package
